Woman's Auxiliary BWYC Held This A. M.

A meeting of the Woman's Auxiliary of the Bay-Waveland Yacht Club was held in Washington in December. Mrs. held on Thursday morning at the club C. C. McDonald attended as a deleat 10:30 o'clock. In the absence of the president, Mrs. Walter Gex, the meeting was conducted by Mrs. W. W. Beltar. Mrs. F. J. Trastour, acting secretary, read the minutes and Mrs. Baltar gave the treasurer's report. Mrs. Ernest Allgeyer gave a report

on the cook-book which is at the publisher's office and will be ready for issuance in about two weeks. The book is to be called "Out of the Galley" and will contain favorite recipes of the members of the club and their friends. A discussion then followed concerning the smorgasbord which will be held on Wednesday, May 30. It was decided that a regular monthly card tournament would be instituted on the second Wednesday of every month beginning on Wednesday, June 13. Prizes will be awarded. In connection with this there will be a summer luncheon, consisting of cold foods at the price of \$1.00 Members who have regular card club meetings Wednesdays are urged to transfer their activities to the club or that particular day and enjoy the food and the entertainment in addition to the cool breezes.

Mrs. Pepperdene gave a report on the prospective plans for a wading pool which will be furnished in the future for small children. It was announced by Mrs. Trastour, manager, that the club will soon undergo a complete paint job on the exterior. The building, in accordance with the consensus o

opinion will be painted white. Plans are also being made for "tacky party" to be held at the club cometime in the future.

HOSPITAL DAY, FRIDAY MAY 12th

Hospital Day at King's Daughters Hospital will be observed on Friday, May 12 from 3 to 5, according to Mrs. Erle Kirkpetrick Mrs. Kirkpetrick anentered St. Benedict Seminary in Cov. nounces that the project of the Board for this year will be the purchase of an electric cardiograph machine which will center; Mrs. Gladys Haas, Child Welcost the sum of \$700. It is suggested fare Agent; Father John Bryan, of that donations towards the realization of this purchase be made instead of the usual shower gifts of linens for the nospital. All donations can be made through Mrs. Kirkpatrick.

GARDEN CLUB SPRING HAT SHOW MAY 10

The annual spring hat show of the Bay-Waveland Garden Club will take place on Thursday, May 10, at 3:00 p.m. at the Bay-Waveland Yacht Club Any member is eligible to enter and all are urged to participate. There will be three classes, namely: Large hats; small hats, and funny hats. Fresh flow ers and vegetables are to be used as decoration. Prizes for each class will be awarded and there will be out-oftown judges to make the decisions. A luncheon will be held in connection for members and their guests and those expecting to be present must please make their reservations early through Mrs. F. J. Trastour.

BAY HIGH PTA MEETING

day, May 1.

The Mid-Century conference gate from this area. Mrs. McDonald is acting as temporary chairman of the group here who will organise in the interest of local children to establish better living conditions and to aid youth in any manner in which it can. The plan includes such phases of help as education, bealth, recreation, etc.

Mrs. McDonald opened the meeting with a talk on child welfare and the reasons for delinquency. She then introduced Miss Adele Grant, Child Welfere Agent, who read an informative organization and its methods of operation. Miss Grant elaborated on two spoke on the problem of children who refuse to go to school and the importence of getting at the root of his reason for shunning companionship with other children. She pointed' out the different phases of foster-home require

Mrs. McDonald followed by giving an account of the meeting held recently in Hattiseburg, to which eleven members journeyed. Then an interesting open discussion ensued concerning the methods of improvement in child welfare in the past ten years. In connection with this subject. Dr. C. M Shipp, County Health Physician, stated that in his opinion the greatest contribution to the community and to the rural people was the REA. Dr. Shipp referred to this institution as having brought the rural people "out of the darkness into the light" of better eanitary conditions and facilities, contending that properly equipped homes give feeling of self-respect and pride and reduce the rate of delin-

rivic, religious, educational and recre ational factions including Miss Logette Webb of the REA; Mrs. J. B. Goldman and Mrs. Elizabeth Weston of the American Red Cross; Mrs. Paul Miller of the League of Women Voters; Mrs. Sam Whitfield, president of the Youth the Boy Scouts; Father Patrick Grant of St. Stanislaus College; Mary Nell Breland, head of the 4-H Council; T. Y. Sexton, principal of the Valena C. Jones School for Colored; Mr. E. E. Breland, Mr. S. J. Ingram, supt. of Bay High; Mrs. Bristow, president of P-TA from Logtown; Mr. Bennie Nobles, Gregory Favre, Miss Hilds Bearden, Physical Ins. of Bay High, Genevieve Harrison, representing the Anna T. Jeane's Fund which was left for the development of Southern Education for small, rural schools for the colored.

The next meeting will be on May 14, at 4 p.m. at the Bay High library.

Lecture on "Poorman's Orchid" at Gulfport

The Woman's Auxiliary of St. Peter's Episcopal Church in Gulfport is sponsoring a lecture entitled "Poorman's Orchid," by Mrs. Lamar. The lecture will be conducted on Wednesday, May 9, at 3:00 p.m. at Women's Club House in Gulfport. Admission will be 50 cents. The subject has to do with the Louisiana Iris.

BAZAAR SUNDAY, MAY 12th

The Church of Latter Day Saints in Bayou La Croix community will hold their annual bezzar on Saturday, May 12, beginning at 3:00 p.m. On sale will be hand made quilts, and other fancy work, and also chicken gumbo. The public is invited.

GOOD NEIGHBORS CLUB TO MEET MAY 16 The next meeting of the Good Neigh-

bors Club will be held on Wednesday, May 16, at the home of Mrs. Luca Pumilia at 116 Burnett Street. Hostee ses will be Mrs. Crystal Schaefer, Mrs. F. C. Fasterling and Mrs. Pumilia.

ART EXHIBIT MAY 27 An exhibit of original art entries will be held on May 27 through June 2,

at the Gulfport Recreational Center. Pictures are caked to be registered by May 23. Dimensions are to rest same as previous requirements. It is requested that all signatures ples shielded. Explanatory circulars will mailed to members at a later date CHOOSE RULERS FOR

Well Now We Know Where

THE BRIDGE WILL BE BUILT

According to a news release from the State Highway Department in Jackson, last week, the new concrete bridge proposed to replace the present wooden structure, will be built about two thousand feet north of the present location.

Bonds in the amount of \$8,400,000.00 will be offered for sale within the next thirty days, and bids will be let for Bourgeois, Patrick Bourgeois, Lawrence the actual construction, which should begin about the latter Rao Bourgeois, Vital Bourgeois, Lester part of June, according to highway department officials.

After reading the news release in the daily papers we have come to the conclusion that there never was any doubt in the minds of the highway commission as to the location of the bridge. They were simply playing a game of "hide and seek" with our local citizens, who went to the trouble and expense of making several trips to Jackson "seeking" to persuade the commissioners that it would be better to leave the bridge in its present location, while the commissioners, in turn, were "hiding" the fact that they had definitely made up their minds to move the bridge location and never intended changing them.

The news releases went on to say that the change in rick Bourgeois, Lawrence Bourgeois, location was bitterly opposed by a majority of the local citizens, but that engineers had seen the advisability of a

change for several reasons. They may have their reasons for changing the location, but it certainly seems to us that in a case of this kind the citizens who have to live and earn their livelihood in the community which the bridge will serve should have a stronger voice in the final decision affecting the location ter Scrimshaw, Norma Ann Sonier, of such a project, because after all, they should know what is best for the welfare of their town.

When you consider the final decision, coming as it did, like a bolt out of the blue, following the many meetings and discussions that were held in an effort to retain the present location, we can only say that the commissioners simply made "monkeys" out of us, leading us to believe that they were sincere in listening to our pleas, while all the time they had no intention of changing their minds.

Mr. and Mrs. Garfield Ladner and Mr. and Mrs. Herman Mazarakis went Miss Shirley Turcotte and Walter to New Orleans Sunday where they

Wishing to correct the section of publication last week with reference to E. P. Ortte's candidacy for re-election, through misunderstanding in proof-reading a minor mistake made in stating "Paid all debts caused by the 1947 hurricane," this was with reference to the workmen, trucks and other equipment used in alleviating emergency damages. It was understood that the Red Cross would defray and later when this understanding was ironed out the County obligated itself to pay these debts which were later paid out of Seawall fund; as well as other repair work caused by said Hurricane to the seawall road.

2nd: In stating all bonds & interest have been -bonds & interest DUE have been paid-This publication should have been shown as follows:

ED P. ORTTE

FOR RE-ELECTION SUPERVISOR BEAT 5

He is running strictly on his past record. He has always looked after the tax payers' interest. He has served you independently from the dictates of any political faction. He solicits the support of all citizens. He respects and serves the poor and rich alike. Here are some of the interesting facts the Courthouse records show since Ed P. Ortte has been president of the Board of Supervisors— AS:

No Bond issues with exception of School Bonds. No questionable transfer of County Funds. No refunding of Bonds. All Principal and interest on bonds due have been paid. County bought \$35,000 School bonds saving interest. Paid all debts incurred by County 1947 hurricane damage. First time in many years the County is operating on a cash basis. With approximately \$400,000 in the County Depository and with no increase in taxes. The above are bonafied facts, not promises. Don't change your horse in the middle of a winning race.

There's Plenty for You and industry, Too

Yes, in the Gulf South there's plenty of NATURAL GAS FOR YOU and INDUSTRY, IOO

In each of the past 21 years, much more gas was found than was used in all of the United States. For years now the amount of known gas reserves has climbed higher and higher. The consumption of gas is increasing, to be sure, but annual discoveries have met the current requirements and added trillions of cubic feet more to the known supply.

Nearly two thirds of all the deposits of natural gas known to exist in the country are in gas fields in Texas, Louisiana and Mississippi-and more than 200 of those fields are connected to the great integrated pipe line system of United Gas. Each year more fields are tied in to the United Gas system ... to the end that we can assure our customers, now and in the future, there's plenty of gas for you and industry, too.

Industries seeking locations in the area served by United Gas can rely on an adequate supply of natural gas at fair and reasonable rates.

Sidewalk Someques.

The Beachcomber

Dear Sir: Last week the writer of "Sidewalk Soliloquies" asked about the latest developments on the proposed garment plant.

The officials of the company are apparently much interested in this community. They are obtaining all possible data on Bay St. Louis through three different sources: the Mississippi Agricultural and Industrial Board Jackson, Mis-1 sissippi; the Mississippi Power Company, Gulfport, and their firm of certified public accountants.

During the past ten days these sources have been furnished with such information as: available labor supply in this area; insurances rates; tax rates; site locations; electric power rates; natural gas rates, and other general information concerning the community.

A letter from the company's accounting firm asked the question: Would the Board of Supervisors call an election to authorize the erection of a sewing plant under the state BAWI (Balance Agriculture With Industry) Act? It was, of course, impossible for anyone but the members of the Board of Supervisors to answer this question and since the inquiry came after the last meeting of the Board it will be necessary to contact those gentlemen at their forthcoming May meeting.

I would like to point out to your readers that even if the officials of this plant like our community enough to want to locate here the preliminaries of the BAWI Act under which we may erect the plant would require at least | beige cotton lace over matching taffeta ninety days time. The actual construction of the plant (approximately 34,000 square feet of floor space) would require at least six months.

Incidentally, 641 persons of whom more than 90% are female have now registered for employment. Each day's in white. Another interesting costume mail brings from three to four others.

Thank you for your interest in this matter and for publishing this letter for the information of the interested Her hat was biege straw trimmed with

A national magazine recently declared of Rudolph Valentino: "He came upon the screen in Argen tine costume, with Gaucho boots and said around his waist. He danced the tarigo; he strode up to women masterfully; he beat them back from the waist like lilles to kiss them, and when

he whispered to them it was a breath of pure passion." Now, the loves and times of Rudolph Valentino have been re-created on the screen in Columbia Pictures' "Valenproduced by Edward Small and filmed in color by Technicolor. It's all here, the tempestuous saga, the dancing feet, the fabulous appeal of the min so many women loved.

Anthony Dexter, who looks miraculously like Valentino, was chosen to play the Great Lover. Valentino's muscular body, his lithe grace and magnetic personality that set women's hearts aflame are said to be duplicated on the screen by Dexter. When Dexter makes love to his co-star Eleanor Parker, then, indeed, Valentino loves again! Mr. and Mrs. Ike Hamilton of South

Great Lover. In the fabulous movie are which knew such remention as Douglass Pairbanks, Sr. John Gilbert and John Serrymers, Valentino was supreme. To stand in that it is observed to point someon everywhere who recognized the breath of remence as the very breath of life itself, Valentino was the Stielk and Don Juan and Romeo rolled into who religious of disease directly who are victims of disease directly traceable to incorrect posture. This is

sepscially interestant in the industrial world where millions of man hours of production time are lost yearly due to illness of employees." "Half a century of scientific obser

vation by the chiropractic profession," he said, "has setablished that the mapority of the people suffer in some degree from postural disorders and that these restrict; the flow of normal nerve energy. A prolonged curtailment of the flow of this energy to any part of the body sets the stage, so to speak, for the entrance of disease." Chiropractic societies—national, state

and local will seek the cooperation of teachers, recreational and athletic directors, Boy and Girl Scouts, 4-H groups, and similar organizations in programs to impress upon the public the relation of correct posture to good
